

Mirror Lake State Park, Rocky Arbor State Park and The Friends of Mirror Lake State Park would like to present you the opportunity to provide a wonderful tribute to your loved one.

Placing a bench at the park will serve as a memorial to friends and family members who have enjoyed Mirror Lake State Park or Rocky Arbor State Park and extend an opportunity for other visitors to enjoy the beauty of the park as well.

Guidelines for Commemorative Benches

The fee for the bench includes the purchase of all materials including the plaque as well as construction, installation and maintenance of the bench for its usable lifetime.

Location Preferences

The benches will be placed in locations where they are needed and deemed suitable by park management. If you have a preference where you would like the bench located please indicate the location on the order form. Location preferences are not guaranteed. A map indicating some potential bench locations is available for viewing at the park office.
