About Our Friends Group

We are a non-profit organization of private citizens who, because of their love of Wisconsin State Parks, are motivated to support them in any way they can.

The Friends of Mirror Lake State Park (FOMLSP) support and promote both Mirror Lake and Rocky Arbor State Parks.

We provide interpretive, scientific, and historical services to park visitors and the park itself. We do this through fundraising, improvement projects and volunteer labor.

About Our Logo

Our logo comes from an iconic maple tree that is the first to turn a brilliant orange each fall. You might see it along the north shore of the lake across from the boat landing. On a still day it casts a perfect mirror reflection on the lake.

Become A Member

Members receive newsletters along with notices of volunteer opportunities, volunteer appreciation events and periodic business meetings. Volunteer hours logged each year earn points toward purchase of an Annual State Park Sticker, Friends merchandise or a membership renewal.

You can volunteer without becoming a member; just check the *Volunteer Only* box on the membership form. When you return the completed form, a Friends Member will contact you about ways to get involved.
